

# 『英語版問題集』改訂表

(令和7・4・1 改訂版対応)

以下の問題を次のように変更します。 Replace the following questions / Explanations with:

## ● P.6 [ Learner's Permit Test Questions (2) ]

28 If a person applying for a renewal of license and equivalent is the age of 65 or over at the renewal period expiration date, that person must take a senior driver's course within six months of the expiration date.

## ● P.7・8 [ Learner's Permit Test Questions (3) ]

21 A driver must carry his or her driver's license and equivalent (including learner's permit) while driving a vehicle so as to be able to present it at anytime.

39 If one drives without carrying driver's license and equivalent, it is regarded as driving without a valid license, even if he or she is licensed.

## ● P.10 [ Learner's Permit Test Questions (4) ]

38 A driver must carry his or her driver's license or Individual Number Card with driver's license information record (collectively referred to as driver's license and equivalent ) while driving. He or she, therefore, must not drive a vehicle on the grounds that they simply forgot to carry it.

## ● P.16 [ Driver's License Test Questions (2) ]

63 Driver's license and equivalent may be renewed within the period of time; starting two months prior to the birthday that is prior to the expiration date of the term of validity, up to the expiration date itself.

## ● P.27 [ Learner's Permit Test Questions (3) **Answers and Explanations** ]

21	T	Driving without carrying driver's license and equivalent is a violation of traffic regulations.
----	---	---

## ● P.28 [ Learner's Permit Test Questions (4) **Answers and Explanations** ]

38	T	Driving without carrying driver's license and equivalent is a violation of traffic regulations.
----	---	---
